ORDER OPENING CASE, SUSPENDING TARIFF AND DIRECTING
STAFF TO FILE A REPORT

Issue Date: June 10, 2005

Effective Date: June 10, 2005

On April 26, 2005, Xspedius Management Co. of Kansas City, LLC d/b/a Xspedius Communications issued a revision of its access service tariff that would implement a wireless termination service. The revised tariff originally carried an effective date of May 27. But, at the request of Xspedius, the tariff's effective date was extended until June 13.

The Commission's Staff prepared a recommendation advising the Commission that it does not object to Xspedius' tariff filing. However, when the Commission discussed the tariff and Staff's recommendations at its June 9 agenda meeting, the Commission had questions about whether the tariff complied with the regulations of the Federal Communications Commission. In order to allow sufficient time to address those questions, the Commission will suspend Xspedius' tariff for 30 days.

The Commission will also direct its Staff to file a further recommendation discussing whether Xspedius' tariff is contrary to the requirements of 47 CFR 20.11(d). If Xspedius, or

any other party, wishes to file a recommendation, or respond to Staff's recommendation, it may do so.

IT IS THEREFORE ORDERED:

1. That the following tariff sheets filed April 26, 2005, and assigned Tariff No. JX-2005-0934, are suspended until July 13, 2005:
